Node labels: print on weatherproof vinyl label sheets, stick on each repeater box.

ATLANTIC COAST UNITED RADIO ASSOCIATION · AG2NJ

Get on the South Jersey Mesh

Free radio text messaging that keeps working when the cell towers and the internet go down.

acuramesh.org

1 Get a MeshCore node

A small LoRa radio, about $30 to $60. No ham license needed.

2 Load MeshCore and pair your phone

The free MeshCore app talks to your node over Bluetooth.

3 Say hello on the mesh

Send an advert and a message. ACURA repeaters pass it along.

Club meetings: 4th Tuesday of every month, 6:30 PM, Holy Spirit High School, Absecon
